REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Our mission of education at Hilton Head Island Early Childhood Center (HHIECC) is to create an environment rich in knowledge and resources which promotes curiosity, exploration and self-expression, and in which children are encouraged to become actively engaged in their own learning. We have a remarkable staff of collegial professionals who believe that all children can achieve success and we constantly strive to meet the individual needs of our diverse population of young students. Teachers work diligently with individual children, small groups, and whole group throughout the day to differentiate instruction. Student work is showcased throughout our building.

For the 2011-2012 school year our school has exceeded academic goals in both reading and math on the Measure of Academic Performance (MAP) test. In May 2012, 93% of students in reading scored on or above expected growth targets and 95% achieved this goal in math. The MAP test also showed that 92% of our students left our school on or above first grade level in math and 90.6% in reading left our school on or above first grade level.

Our students and teachers utilize technology. We are fortunate to start our "digital natives" in classrooms that integrate technology in all academic areas with engaging, interactive lessons. Each instructional room has a Smartboard, Mobi, two desktops, and three laptops for student use. Our students are actively using many online instructional tools at school and home to support learning. Our teachers communicate with parents regularly through their updated websites, newsletters, and conferences.

We believe parental support and involvement is a crucial part of a young child's learning. Our parents are actively engaged in many activities throughout the day and evening with their children. Many parents attend our Math Nights, Hands-On Literacy Night, ESOL Nights, and "What's Special about Specials?" night.

We are proud of our implementation of Positive Behavior Intervention Support (PBIS). We are completing our fourth year of implementation. The state awarded our school with a Ribbon Award for outstanding progress implementing our school-wide behavior program. We continue to support students to do their BEST: Be kind, demonstrate Effort, show Self Control, and build Teamwork in all areas of work each day. Students receive "Gotcha" cards when they are caught demonstrating appropriate behaviors. We host monthly assemblies for all students demonstrating successful behaviors throughout the school. The students love to attend these events and work hard each day to earn this opportunity.
